

Niagara Falls is a perfect destination for short stays. Whether it's a one, two or three day trip, Niagara Falls will surely deliver a fun and exciting experience for everyone. Niagara Falls is most popular with Grade 8 grad trips but also popular with Grades sixes and sevens as well.

Niagara Falls is only 90kms away from Toronto which makes it easy to combine both destinations. An early morning in Niagara with an afternoon Baseball game in Toronto is one of many options available for your school group.
